## LOEB AND McGUINNESS HULK OUT

This January, the superstar creative team of Jeph Loeb and Ed McGuinness bring you an all-new Hulk. You've seen him in green. You've seen him in gray. Now, Hulk is rage-filled red and it all starts in *Hulk #1*!

Springing out of the conclusion of the astonishingly successful *World War Hulk*, the new ongoing Hulk series is sure to leave you thunderstruck. And as much as fandom is rabidly waiting for this new Hulk, there are two people who are even more excited than everyone else, that's right, Jeph Loeb and Ed McGuinness cannot wait to bring you this exciting new chapter in Hulk history.

"Ed has wanted to draw the Hulk ever since he could hold a pencil," says Eisner Award winner and Emmy Award-nominated Jeph Loeb. "When we first started talking about the character design, the key word, I think, was **POWER**. We wanted our Hulk and Abomination to be true to the character and at the same time uniquely ours. Ed just rocked it! Next stop: action figures!"

When one of the Hulk's oldest cost members is murdered, it's up to Iron Man, She-Hulk and Leonard Samson to solve the case! But that's not the only mystery hanging over this new series: just why is the Hulk red?

This cat-in-hat first issue not only features an "acredible" cover by McGuinness, but also a powerful variant by newly Marvel-exclusive artist Daniel Acuña!

## NEW WRITER MIKE BENSON HUGGIN' IT OUT WITH MOON KNIGHT

Mike Benson, the award-winning TV writer from the wildly popular HBO series *Entourage*, takes over writing duties for Marvel's stealthy schlockhouse super hero, Moon Knight!

Benson begins his run on the series with *Moon Knight #14* which kicks off a six-part story entitled "God and Country," featuring the amazing art team of Mark Texeira and Javier Salazar of *Ghost Rider* fame. Plus, current series writer Charlie Huston stays on as Benson's co-plotter!

"Mike Benson's credentials speak for themselves, and he's got much love for the character," says Executive Editor Axel Alonso. "Hell, his first script was so good that Charlie Huston decided to stick around as co-plotter. What could be better?"

In *Moon Knight #14*, we find Moon Knight is back in the game—leaving a trail of broken bodies in his wake. As S.H.I.E.L.D. slowly crawls pick up all the criminals he beats down, the question on everyone's mind is: Who the hell gave this psycho a Registration Card? No one wants to know the answer to that question more than S.H.I.E.L.D. Director Tony Stark, architect of the Initiative.

Are Moon Knight's methods too extreme to ignore? It seems the government thinks so. As the body count grows, the state department pressures Stark to arrest the man who quickly has become the poster child for super-powered irresponsibility. But can Iron Man and S.H.I.E.L.D. really catch and contain this unstable anomaly?

Find the answer to this question and more as the hunt for Moon Knight begins in *Moon Knight #14*!
